# About Ringba

Ringba was designed to push the limits of innovation. Our team is inventing the future of voice and changing how businesses connect with consumers. Made in California by seasoned ad-tech engineers and product designers, we leveraged decades of experience to build you the perfect suite of tools to rapidly grow and scale your business.

We strongly believe that our clients are our partners. That's why we take a hands on approach, giving everyone access to live sales and technical support with no contracts or commitments to get started.

Please feel free to reach out anytime, we'd love to see how our technology can help improve your ROI.
